

Pacific Medical Centers Canyon Park

Dr. Ton can care for your whole family, from birth to retirement, from cuts and scrapes to immunizations to management of chronic illnesses. Dr. Ton is also a doctor of Osteopathic Medicine and specializes in osteopathic manipulation and myofascial release.

Osteopathic Manipulative Medicine can help with:

- Low back sprains
- Neck strains
- Tension headaches
- Sacral somatic dysfunction

Please contact our Canyon Park clinic, 425.412.7200, about making an appointment with Dr. Ton to see if osteopathic manipulative medicine is right for you.

Nha Ke Ton, DO
Family Medicine

“The role of a physician is to listen, inform, and advise the patient on a course for healing and sustained well-being. I believe that building a trusting, collaborative relationship with the patient is important to communicating openly and encouraging meaningful dialogue.”

Medical Education: University of North Texas – Texas College of Osteopathic Medicine, Fort Worth, TX

Board Certified: American Board of Family Medicine
