

PacMed™ Travel Clinic

The PacMed™ Travel Clinic offers comprehensive travel services for adults and children.

Before you pack your bags for international travel, come to the Travel Clinic!

If you travel abroad, you'll want to be in good health and ready for illnesses you might encounter on your adventures. Be sure to make a medical travel clinic your first vacation stop. Dr. Alexander Hamling runs the PacMed Travel Clinic at our Canyon Park clinic in Bothell. He can be seen by appointment for:

- Complete pre-travel exams
- Immunizations
- Malaria prevention tips and medications
- Country-specific advice:
 - Safe food and water suggestions
 - Injury prevention and what to do when you're away from home
 - Medication suggestions

Dr. Hamling sees children under the age of 18 and checks their vaccinations for travel.

Whether you're an international backpacker or a relatively inexperienced traveler, the clinic can prepare you for a healthy trip.

To make a Travel Clinic appointment, call:

Canyon Park clinic at 425.412.7200, and choose option 3.

Remember to schedule your visit for at least one month before your departure.

Please contact your insurance company to inquire about the cost and coverage of travel-related vaccines. Vaccines may be prescribed, but will not be administered at PacMed.
